

AFRICA STONE WORKS
(PTY) LTD

"Enhancing architectural landscapes through the strength of African stone."

ABOUT US

Africa Stone Works is an industry leader in the sourcing, processing, and distribution of Rustenburg Granite. Headquartered in the mining region of North West, South Africa, we operate an integrated production process directly from the source to ensure peak quality and craftsmanship

Global reach

Our state-of-the-art machinery allows for rapid bulk supply and precision finishing for large-scale infrastructure.

PREMIUM GRANITE SOLUTIONS

We specialize in high-durability granite products designed for landscaping in residential, commercial, and industrial applications.
